Village Health Clubs & Spas Celebrate Mother's Day With Spa Specials for Mom

Treat Mom to three pampering spa services, a relaxing meal with wine or beer, plus complimentary all-day health club access with the *Village Experience*

Who: Anyone looking to spoil their mothers, grandmothers and mothers-to-be this Mother's Day.

What: Celebrate Mother's Day (Sunday, May 10) with the Village Health Clubs & Spas by purchasing a Village Spa Gift Card for the special women in your life. With the gift card purchase, you will receive an extra \$10 card that can be used toward a 60-minute spa or salon service through August 2015.

For the total package on Mother's Day, the *Village Experience* includes three pampering spa services, your choice of a breakfast or lunch entrée and a glass of wine or beer for \$240. Even better, membership is not required to enjoy the spa services, such as the all-new seasonal "Watermelonade" Massage and Body Refresher body treatment. This energizing and completely organic treatment begins with a calming antioxidant-rich Citrus-Cilantro massage, followed by an invigorating Watermelon-Basil sugar scrub infused with Square One Organic Vodka, and finished with an application of whipped citrus-vanilla Shea butter massaged into the skin to seal in moisture. This 60-minute treatment is the perfect follow up to a massage, or can be done in conjunction with a facial.

Best of all, the *Village Experience* includes complimentary all-day access to this state-of-the-art health club. It's the perfect way to kick off National Women's Health Week (May 10-16, 2015), so encourage mom to take advantage of full Village Health Club along with her special spa services.
