descriptions

PROBLEM SOLVERS

Dazzle Dry Proprietary FLEX technology allows your polish to bend, expand, and contract with your nail, providing gel-like performance without the LED lamp. Dries in 5 minutes and removes like polish. Vegan and nontoxic.

Baby Foot Rediscover your baby soft feet with this at-home treatment that uses 17 natural extracts to effortlessly exfoliate the dead skin cells on your feet.

IBX Nail Strengthener The nail strengthener to end all strengtheners. Penetrates into the nail bed to repair severe nail damage and peeling. Excellent in combination with Shellac polish.

SHELLAC NAIL EFFECTS

Chrome Obtain mirror-like shine with this unique effect. Silver or gold pigment is applied over your gel polish for a finish like no other.

Holographic Rainbow holographic pigment is applied over your gel polish for an effect that is truly magical.

Chameleon Color shifting pigments are applied over your gel polish for a style that will have your nails turning heads.

NAIL ART

Nail Decals Choose from our expertly curated selection of nail decals for nail art in a flash.

Hand-Painted Nail Art Work together with one of our nail artists to conceptualize a look that is uniquely "you."

Mood Gels Temperature-sensitive gel polish changes colors right before your eyes.
